K. PAVITHRA

DATA ANALYST | POWER BI DEVELOPER | SQL

7200666482 | pavithrav0704@gmail.com | Chennai, Tamil Nadu | https://www.linkedin.com/in/pavithra-k-4a9664361

PROFESSIONAL SUMMARY

Data Analyst and Power BI Developer skilled in building KPI-driven dashboards, writing SQL views, and validating data in MySQL. Hands-on project experience across healthcare (Hospital Management System) and eSports datasets, covering staging tables, data cleaning, data quality checks, and technical documentation. Brings prior healthcare revenue-cycle experience (AR Associate / AR Caller) and an M.E. in Electronics and Communication Engineering, with a strong analytical foundation.

TECHNICAL SKILLS

- **Data Visualization:** Microsoft Power BI, interactive dashboards, KPI cards, charts, slicers, trend analysis
- **Database & Querying:** SQL, MySQL, SQL views, joins, table design, constraints, indexes, triggers, ER diagrams
- **Data Preparation:** Data cleaning, data validation, ETL concepts, data transformation, staging tables
- **Reporting & Analytics:** KPI reporting, data quality checks, operational reporting, trend analysis
- **Other Tools:** Microsoft Excel, Draw.io, MS Office

PROFESSIONAL EXPERIENCE

Power BI Developer | Stackly *01 Oct 2025 – Till Now*

- Built Power BI dashboards with KPI cards, charts, slicers, and trend visuals for operational monitoring and KPI reporting.
- Created and maintained SQL views that supply structured, reporting-ready data to dashboards.
- Cleaned and validated data, running consistency checks across related tables to keep reported figures reliable.
- Designed staging tables and SQL scripts to support structured data ingestion and preparation.
- Implemented constraints, indexes, audit tables, and triggers per project specifications.
- Delivered Insight Reports, dashboards, SQL scripts, and technical documentation as project deliverables.

AR Associate | Omega Healthcare, Trichy *Jun 2023 – Jun 2024*

- Followed up with insurance payers on outstanding claims to support resolution of accounts receivable in a healthcare revenue-cycle process.
- Reviewed claim and account details to identify issues and decide next actions, building strong attention to detail and data accuracy.

AR Caller / Assistant Client Partner – Overpayment Voice Team | Access Healthcare, Chennai *27 Jun 2022 – 15 Feb 2023*

- Contacted payers by phone as part of the overpayment voice team to resolve overpayment and refund-related account issues.
- Communicated clearly with payer representatives and maintained accurate account records.

PROJECTS

Hospital Management System (HMS) – Stackly

Tools: Power BI, SQL, MySQL, Excel

- Developed Power BI dashboards covering patient admissions and discharges, user, subscription, and project insights, and patient feedback.
- Built a Command Center dashboard consolidating key operational KPIs for at-a-glance monitoring.
- Created SQL views and implemented data validation checks to support reliable reporting.
- Investigated data inconsistencies across related tables and documented the findings.

ProLeague eSports – Database Development & Data Validation

Tools: MySQL, SQL, Excel, Draw.io

- Analysed a 12-module dataset to identify entities, relationships, and business rules.
- Designed an ER diagram and created and populated staging tables across all 12 modules.
- Developed SQL validation checks for completeness, uniqueness, referential integrity, date consistency, and valid ranges.
- Performed initial data cleansing, preserving valid records and documenting known dataset limitations.

EDUCATION

M.E. – Electronics and Communication Engineering (Communication Systems) *2020*

K. Ramakrishnan College of Engineering, Trichy | CGPA: 8.94/10 | First Class with Distinction

B.E. – Electronics and Communication Engineering *2018*

K. Ramakrishnan College of Engineering, Trichy | CGPA: 7.68/10 | First Class

CERTIFICATIONS & ACHIEVEMENTS

- Certified in Advanced Excel using AI.
- University rank holder – 6th rank in M.E. (ECE), Communication Systems.
- Published the project “Metamaterial Promoted CPW-Fed Meander Line Antenna for Multiband Operation” in IEEE Xplore: https://ieeexplore.ieee.org/document/9112507
- Participated in the 5th International Conference on Inventive Computation Technologies (ICICT-2020), RVS Technical Campus, Coimbatore, 26–28 February 2020.
- Completed the NPTEL course “Enhancing Soft Skills and Personality.”
